Hi Valois,

I'm updating the Darrow/Freezeout/Triangle (DFT) Uranium Mine site comm. strat and I was wondering if you could review the Dewey Burdock sections? I want to make sure these are up-to-date as well. Once we get this communication strategy nailed down, Chris Wardell will use to make a fact sheet that we can use during our RA briefing. Tell me if we need to be doing anything else in the meantime!

Thanks,
